Education

National Institute of Technology, Rourkela

Bachelor of Technology in Computer Science and Engineering (CGPA - 7.83)

August 2023 – Present

Rourkela, Odisha

Sri Chaitanya Junior College, Hyderabad

Telangana State Board, PCM (Percentage - 98.5%)

March 2023

Hyderabad, Telangana

Paramita Heritage School, Karimnagar

AISSE – CBSE (Percentage - 85%)

March 2021

Karimnagar, Telangana

Relevant Coursework

- Data Structures
- Database Management System
- Algorithms
- Object Oriented Programming
- Operating Systems
- Computer Networks

Work Experience

Technocolabs Softwares

June 2026 - July 2026

Software Engineer Intern

Remote

- Built the backend and database for ShopSphere, an e-commerce platform that supports multiple vendors, live sales tracking, transaction logs, and seamless order management.
- Integrated full-stack features using React.js, Node.js, Express, and MongoDB, including vendor dashboards, automated refund systems, and live product review ratings.
- Designed database models and optimized data queries (vendorAnalytics, platformAnalytics) to fetch complex analytics reports in under 200 milliseconds.

Projects

Task Manager

June 2026

HTML, CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB

Project

- Built a full-stack Kanban task manager using React, Node.js, Express, and MongoDB, allowing users to easily create, move, and delete tasks across custom columns.
- Implemented secure user login and authentication using JWT and password encryption, ensuring each user's data is kept private and saved safely in the database.

Quiz App

July 2025

HTML/CSS, JavaScript, ReactJS

Project

- Developed an interactive quiz application that allows users to answer multiple-choice questions with instant correctness feedback and a final score summary.
- Implemented score tracking and quiz reset functionality, enabling repeated attempts for practice and learning reinforcement.

Achievements/Certifications

- **ATF 2024 : Stage-2 Candidate** October 2024
Successfully cleared the **first two stages of AlgoUniversity Technology Fellowship 2024**, demonstrating good technical expertise and problem-solving skills. Certificate
- **HackNITR 5.0 - Hackathon** January 2024
Participated in the hackathon **HackNITR** and competed with **3000+** teams registered for offline round. Certificate

Technical Skills

- **Languages:** C, C++, HTML/CSS, JavaScript
- **Frameworks:** ReactJS
- **Developer Tools:** MongoDB, REST APIs, VS Code

Extracurricular Activities

The Executive Lead

June 2025 – July 2026

3D Club

NIT Rourkela

- Planned and organized workshops, and activities to enhance students' technical skills and interest. Helped create opportunities for students to learn and participate.
- Coordinated with the core team to manage club operations and responsibilities. Ensured smooth execution of tasks and increased student engagement.
